"Into The Light"

I'm not gonna say "I'm sorry"
For the things that I have done
I don't mind if you don't mind
Our time is passing by
I don't know you anymore
And there are no excuses right now
Inside your head, tell me what's going on
Tell me what's going on...

Out of the darkness
Into the light
Feeling my soul
Begging for more
Break all these chains
And take them away
I need to break
What I wanna change

I'm not gonna find a reason
I won't doubt my mistakes
I know that I have changed
I'm not the same
And I can feel that I found my way
Because I won't be there
To catch you when you fall
To hold you when you're down

Out of the darkness
Into the light
Feeling my soul
Begging for more
Break all these chains
And take them away
I need to break
What I wanna change

I won't be there
To catch you when you fall
To hold you when you're down
More and more I see the end
And that feels good
I don't need to try anymore

Out of the darkness
Into the light
Feeling my soul
Begging for more
Break all these chains
And take them away
I need to break
What I wanna change

Out of the darkness
Into the light
Feeling my soul
Begging for more
Break all these chains
And take them away
I need to break
What I wanna change
