Just another knowing what's been done,  
Or a sign of things to come, and you wonder,  
We needing you of love inside,

Another front, but no tomorrow,  
Never thought it would end like this,  
Wish the days, living for the moment,  
Truly moments what I meant,  
Had a chance to make a difference,  
But I didn't try, my intentions  
Made a difference in another life,  
Either way I knew the truth,  
I knew the trouble I've,  
Still I'll find you, in my life

Forgive me, move o'er my head,  
Feels like I'm falling, I feel I'm already dead,  
Forgive me, move o'er my head,  
Say'n I'm lost without you,  
Now I'm standing at the edge,

I can still hear familiar voices,  
Just talking from inside my head,  
I remember making choices,  
I know I never should have said,  
Of course these thoughts,  
Kept to close my minds eye,  
Full pissed on trivial conquest,

Remanary full of visionary,  
Lost sight of you with all the rest

Forgive me, move o'er my head,  
Feels like I'm falling, feel I'm already dead,  
Forgive me, move o'er my head,  
Say'n I'm lost without you,  
Now I'm standing at the edge,

Rrrrrrrrrraaaaaaaaaaaaaaaaaa-a-a-a-a-ow

Forgive me, move o'er my head,

Feels like I'm falling, feel I'm already dead,  
Forgive me, move o'er my head,  
Say'n I'm lost without you,  
Now I'm standing at the edge,

Forgive me, move o'er my head,  
Feels like I'm falling, feel I'm already dead,  
Forgive me, move o'er my head,  
Say'n I'm lost without you,  
Now I'm standing at the edge,

Forgive me, move o'er my head,  
Feels like I'm falling, feel I'm already dead,  
Forgive me, move o'er my head,  
Say'n I'm lost without you,  
Now I'm standing at the edge,
