I gotta find out
I don't see you around
No more

But sir, don't forget
You'll stop your address
You'll fall
Through the floor

Did you get our calls?
You still punching walls?
I don't see you round
No more

By and by it's gone
But not if you rewind it

By and by it's gone
But not if you rewind it

They said they'd seen you
You weren't acting so tough

What happened to your car?
I heard you drove real far
And just left,
All your stuff

And that you ran right back
And took off.
You flew over
The rest of us

By and by it's gone
But not if you rewind it

By and by it's gone
But not if you rewind it

And are you still punching walls?
You always seem to be where the rock falls
