i dont know about tomorrow
i just live from day to day
i dont borrow from its sunshine
for its skies may turn gray
i dont worry o'er the future
for i know what jesus said
and today ill walk beside him
for he knows what is ahead

many things about tomorrow
i dont seem to understand
but i know who holds tomorrow
and i know who holds my hand

every tep is getting brighter
as the golden stairs i climb
every cloud is silver lined
there the sun is always shining
there no tear will dim the eye
at the ending of the rainbow
were the mountions touch the sky

many things about tomorrow
i dont seem to understand
but i know who holds tomorrow
and i know who holds my hand

i dont know about tomorow
it may bring me poverty
but the one who feeds the sparrow
is the one who stands bye me
and the path that be my portion
may be through the flame or flood
but his persence gose before me
and im covered in his blood

many things about tomorrow
i dont seem to understand
but i know who holds tomorrow
and i know who holds my hand
