C: Cuz iam who u aren't and I know for sure you weren't.  
Now lets see. who u be. i'm pretty sure it ain't quite me.

V1. This one girl a young girl. thought that she had everything like me in this world.  
she wants to be. the real me. I can see it in her eyes everytime shes by.  
I can't believe, can't believe, how she may try to compermize on.  
what she need to need to do need to do. is give me some space. and get out my face.

V2:I know theres many people out there. whos like me.  
and i know theres plenty people out there who likes me  
I know, i know i know. they wanna be like me live a life like me.  
but can you see can you see it can you see it? this life ain't easy so don't claim to be
