I'm sitting here thinking what we said last night  
Talking 'bout the life we used to know.  
Got to thinking how the year's gone by  
How I insisted there wa so much time.  
So I got to feeling low  
And I decide to make a telephone call.  
Have you heard the new: John Lennon's dead  
For nothing - but John Blast  
it's crazy  
hey.  
Suddenly I realized that I'm destined for angry times.  
Suddenly  
wow  
you know it's crystalized  
I got to make it in these angry times  
angry times.  
I'm just sitting here thinking what we said last night

We talked 'bout the life we used to know  
We got to thinking how the year's gone by

We kept insisting there was so much time.  
Well  
I've had my share of ups and downs  
You try to make it in this insane town  
I've been battered  
beaten  
slowly burned  
You know: They didn't leave one stone unturned.  
Suddenly I realized that I'm destined for angry times. . .

.  
I got to make it  
I'm gonna make it  
I got to make it

Angry times  
angry  
angry times.  
I'm still sitting here thinking what we said last night

Talking 'bout the life we used to know

I got to thinking how the year's gone by

I kept insisting there wa so much time.

Suddenly I realized that I'm destined for angry times. . .

.

I'm gonna make it

I'm gonna make it

I'm gonna make it

Angry times

angry

angry times.
