I don't need lots of people tellin' me what to do.
I don't need a long haired baby to love me true as true.

All I need is a rock and roll band and somewhere new
to play

And I'm on my way
I'm on my way.
I'm a rock and roll gypsy
and I'm on the run

I'm a rock and roll gypsy
I never needed anyone.

My life isn't easy
baby
it's the life that I need.
I got music livin' inside-a-me
I gotta set it free.

All I need is a rock and roll band . . .

I've got to playin' my music
babe - it's all I know

Where it wants to take me
honey

I've got to go
I've got to go
I've got to go

. . .

All I want from livin' is just to be left alone.
All I need is an open road 'cos I'm a roliin' stone.

All I need is a rock and roll band
I'm a rock and roll gypsy
and I'm'on the run

. . .

I - I never needed anyone. I - I never needed anyone. . .
