Wine is sweet and gin is bitter

Drink all you can but you won't forget her.

You talk to much
you laugh too loud

You see her face in ev'ry crowd.

That's the price of love
the price of love

A dept you pay with tears and pain.

The price of love
the price of love

It cost's you more when you're to blame.

Kiss on girl - kiss another

Kiss them all but you wonr recover.

You're dancing slow
you're dancing fast

You're happy now

but that won't last.

'Cause that's the price of love
the price of love

...

Kiss one girl - kiss another

Kiss them all but you wong recover.

That's the price of love
the price of love

...

That's the price of love
the price of love

The price of love

the price of love.
