Let me go
Let me go

(verse)

I'm wasting my time just playin' dead.
Why won't I just burn myself.
I will like it.
You will say nothing.

Because your nothing.
Walk through fire, get burned.
So just walk through the fire.
You will get burned!

(Chorus)

Burn, Burn, Burn
I'm goin' to stop playin'.
If no one will try to find me.
I'll probably just start drinking.

Burn, Burn, Burn
I'm gonna kill myself.
Just burn me into pieces.

(verse2)

If I had my girl back.
I would have never of done this.
She is my life.
Could of been my wife.

(chorus)

Burn, Burn, Burn
I'm goin' to stop playin'.
If no one will try to find me.
I'll probably just start drinking.

Burn, Burn, Burn
I'm gonna to kill myself.
Just burn me into pieces.

(bridge)

This is hell.

I will fall.
Kick my balls.
Kick my shell.

You won't kick my shell
Cause your not here.
I bet your at the bar.
Drinkin' a couple of beers.
It was funny.
There was a contest for winnin'
queer of the year.
I miss you baby.

But it's over.(over,over)
I'm gonna...

(chorus)
Burn,Burn,Burn
I'm goin' to stop playin'.
If no one will try to find me.
I'll probably just start drinking.

Burn,Burn,Burn
I'm gonna kill myself.
Just burn me into pieces.

Burn,Burn,Burn
I'm goin' to stop playin'.
If no one will try to find me.
I'll probably just start drinking.

Burn,Burn,Burn
I'm gonna kill myself.
Just burn me into pieces.
