Presidential power
No right to eavesdrop
Government surveillance
Intelligence misgot
Curveball diplomacy
Abuse of security
National emergency
Waive civil liberties

Big Brother, Big Brother
Spying on you day and night
Big Brother, Big Brother
What they do isn't right
Big Brother, Big Brother
Spying on you day and night

Warrantless wiretapping
With no proof of threat
If you sound suspicious
You'll sit in jail and sweat
Welcoming the tentacles
Of the 'War on Terror' spectacle
Add another codicil
To the fatalistic chronicle

Big Brother, Big Brother
Spying on you day and night
Big Brother, Big Brother
What they're doing just isn't right
Big Brother, Big Brother
Spying on you day and night

Big Brother, Big Brother
Spying on you day and night
Big Brother, Big Brother
What they're doing isn't right
Big Brother, Big Brother
Spying on you day and night

Big Brother, Big Brother
Spying on you day and night
Big Brother, Big Brother

What they're doing isn't right
Big Brother, Big Brother
Spying on you day and night
