I hold my head up, I
I look to the sky
Is there a heaven?
Is this my life?
And I wonder where I'm going
I wonder if it's right
What's the point of knowing
If it's all a big surprise?

Bridge:
I wish, I might
I read the signs
Make the most of time

Chorus:
Stay in the middle
Don't get pushed to the side
Every chance that's worth taking
Is a chance worth the fight
Stay in the middle
And take it in stride
Don't let it go by

Closed door's the question
And the answer is the key
To what we long for
To what we want to be
And it's not about the winning
It's not about the prize
It's finding out the meaning
Of the laughter and the cries

Bridge
Chorus

Don't let it go by
When it's in your hands
The chances you take
Lead to where you now stand

Chorus
