::VERSE 1::

They tryna save me  
They can't do it  
Im influenced  
By the  
life full of sin  
I know  
I coulda been  
A doctor or a lawyer  
But I love it  
What I'm doin  
I influence  
The young to dream of becoming affluent  
and I'm fluent  
in my street slang  
so I let that beat bang  
all about my money so I only get that free brain  
I'm so slick with it  
Like HIV i stay sick with it  
I got my niggas tellin me they lovin my shit  
See Imma remember everyone of yall when I'm rich  
i aint makin all this music for the hell of it  
bitch i live it and i breath and im fukin sellin it  
see I'm gone and I'm gone to another world  
i took a hit and got reborn in another world  
so hot, ud think my song was fried  
like  
popeyes i am bona fide yo

::CHORUS::

Tera mera koi rishta nahi  
I'm on another level (3)

::VERSE 2::

So sick Imma puke on world  
Never lose like the UConn girls

Don't you fuck with me  
I'm built tough F-150s

Make beats on Akai and Korg and  
I  
Chase money - JP Morgan yea

But I don't know about them donkeys and elephants  
Everyone believe um cuz they always lookin elegant

im just thinkin What the fuck have we come to  
can i hold control and tap on z to undo?

And if I can't, Imma get so high shit  
Who wanna take a hit, I need a co-pilot

::BRIDGE::

I'm so fly I'm so fly I'm so fly yeahh  
I feel alive feel alive feel alive

::CHORUS::

Tera mera koi rishta nahi  
I'm on another level (3)
