This is a jetsetter music letter from me to you
This is a jetsetter music letter from me to you

I'm writing from the bedroom, I'm ennui and in my
cups.
All the kids are kissing in the bathroom, licking bags to
get their ups.
I've gotten 3 proposals since I left home, and none
have left me impressed
It's getting much harder to say no and even harder to
say yes

This is a jetsetter music letter from me to you
This is a jetsetter music letter from me to you

You've had enough annihilator, whose treasure was her
trap
And when she wrapped her legs around your head, you
knew you wouldn't get it back.
It's been 16 days since I've left home, 16 days too long
And what she does feels oh so right, so you know it
must be wrong.

Whoa

Now I'm writing cause I miss you, and I'm writing cause
I'm stuck
All these strangers all around me, they don't seem to
give a fuck
And I'm tired of sleeping in strange beds, And I've
done more than you'd allow
I've had enough of jetsetting and I wanna come back
now.
I wanna come back now
I wanna come back now
I wanna come back now
I wanna come back now
