This is a jetsetter music letter,
from me to you
This is a jetsetter music letter
from me to you

I'm writing from the bedroom
I'm ennui and in my cups
all the kids are kissing in the bathroom
licking bags to get their ups
I've gotten three proposals since I've left home
and none have left me impressed
It's getting much harder to say no
and even harder to say yes.

This is a jetsetter music letter
from me to you
This is a jetsetter music letter
from me to you

You met a naf annihilator
whose treasure was her trap
and when she wrapped her legs around your head
you knew you wouldn't get it back
It's been sixteen days since I've left home
sixteen days too long
and what she does feels oh so right
So you know it must be wrong

This is a jetsetter music letter
from me to you
This is a jetsetter music letter
from me to you

Now I'm writing cause i miss you
and I'm writing cause I'm stuck
All these strangers all around me
they don't seem to give a fuck
And I'm tired of sleeping in strange beds
and I've done more then you'd allow
I've had enough of jetsetting and I wanna come back
now.

I wanna come back now.

(repeat)

This is a jetsetter music letter from me to you.

(repeat)

wow.
