Intro

Yea,
Just let it bounceÂ... ha ha,
One time for ya mind,
Two time then I shine,
Third timeÂ... ha ha,
When it gets to da third time nigga, da world is mine,
Ha ha,
Just gonna bounce to this one,
For real.

Verse 1

Step on da street, lace up my air forces,
Got my glock on me, still cautious,
No losses, on my neckÂ... pink crosses,
Dear lord, listen when I call,
LifeÂ's getting hard, come and save us all,
The cops keep rollin,
My block they scopin,
Same reason why my heart is frozen,
Damn! Look at da life I chosen,
Uh,
Take money, make money, trying to pave my way,
Everyday I pray,
While looking for a place to lay,
Know you donÂ'tÂ' love me, talk is cheap,
Ya heart is weak,
I gave you life, you try and take my life,
I gave you love, you gave me slugs,
Try and shed my blood,
Only god I glorify,
No disguise, da kid on da holy side,
Bob Marley my bonafide,
Try take my dream but you canÂ't take my pride,
I talk to David, walk wit Moses,
My niggaz knows this,
Stay fresh like roses,
Da streets be callin,
Did nÂ't eat this morning,
Can my shirt stop da tears from fallin,

HuhÂ... uh!

Chorus

All I wanna do is cruise wit my friends,
Blow weed in da wind,
Get money once again and speed in da Benz,
Huh!
Do I ask for much, put ya hands up,
Lifestyle nigga.

All I wanna do is cruise wit my friends,
Blow weed in da wind,
Get money once again and speed in da Benz,
Huh!
Do I ask for much, put ya hands up,
Lifestyle nigga.

Verse 2

Slow down, go slow,
Got time, got doe,
Kay stepped through da door, hat tipped low,
They say I lost my way,
Mind so far away,
Fell on my knees and pray,
Niggaz wanna walk like us,
Wanna talk like us,
They canÂ't cuz they ainÂ't got da heart like us,
So they hate us, try and play us,
My flow sharp like razors,
Got here on my own, didnÂ't ask any favors,
Know you donÂ't like da kid,
Why you wanna fight da kid,
I stay true to da end,
Loyal to my crew till da end,

What I wouldnÂ't do for my friends,
Call me a true nigga,
Held it down together, me and you nigga,
Will I be a G till I die,
A G never cry,
Smoke weed, get high,
Smoke weed, get by,
ItÂ's a king in ya presence,
You rockin wit a legend,
From da block to heaven,
We keep on reppin,
Got da world on my shoulders,
A G till itÂ's over,
Da kid still a roller,

4, 5th holder,
Ikay... a braveheart soldier,
For real, uh!

Chorus

All I wanna do is cruise wit my friends,
Blow weed in da wind,
Get money once again and speed in da Benz,
Huh!
Do I ask for much, put ya hands up,
Lifestyle nigga.

All I wanna do is cruise wit my friends,
Blow weed in da wind,
Get money once again and speed in da Benz,
Huh!
Do I ask for much, put ya hands up,
Lifestyle nigga.

Verse 3

I keep my head to da sky,
Pray to god cuz I know he'll get me by,
I'm here to stay, reppin for da streets till I die,
Try and move me, you get shot wit da oozy,
This my life nigga,
More money, more problems, more niggaz try to sue
me,
I write my own rhymes cuz I got my own mind,
Ahead of my time,
Kay gon shine,
I walk different, talk different,
I don't love em ho's cuz my heart different,
I'm floatin on da clouds,
Makin my niggaz proud,
I'm hot no doubt,
I'm da boss on da beat,
I floss on da streets,
Make you get soft in ya feet,
Southside! Let me see you stand up,
Westside! Put ya hands up,
I'm a beast in da east,
I lock da streets,
Lifestyle gon eat,
For my niggaz in da cell, livin in hell,
Da kid knows , only time can tell,
I ain't doin well,
Come on, yea! Lifestyle nigga.

Chorus

All I wanna do is cruise wit my friends,
Blow weed in da wind,
Get money once again and speed in da Benz,
Huh!
Do I ask for much, put ya hands up,
Lifestyle nigga.

All I wanna do is cruise wit my friends,
Blow weed in da wind,
Get money once again and speed in da Benz,
Huh!
Do I ask for much, put ya hands up,
Lifestyle nigga.
