Verse 1

I got moves to make,
Couple moves up state,
Then IÂ'm down in da dirty wit U.G.K,
IÂ'm a certified hustla, got what it takes,
You move a dollar a bag, I move a thousand a case,
Got da mind and da muscle,
ItÂ's my nature that I hustle,
My pops was a hustla,
Niggaz on my block are hustlas,
Westside! Even Pac was a hustla,
IÂ'm stackin major greens,
Puff my weed then step up in da building wit major
cream,
Things ainÂ't da way it seems,
I got major dreams,
Cry Nation is a major team,
Got da glock wit da laser beam,

Violate, then I blaze ya team,
Iâ€™m sittin on da throne,
Benz sittin on chrome,
A bitch flippin on my phone,
I wanna blaze that, graze thatâ€¦ next week later she
be sittin on my bone,
Homie Iâ€™m grown!

Chorus

Cry Nation in da building, Iâ€™m letting you know,
All my bitches gotta feel me, you in love wit da flow,
Yâ€™all niggaz gotta fear me, got shots for my foes,
Rep for da streets dearly, never letting you go.

Cry Nation in da building, Iâ€™m letting you know,
All my bitches gotta feel me, you in love wit da flow,

Verse 2

I dot K dot A dot Y,
I got 8 shots, I spray that high,
Chillin in da Maybach, everyday Iâ€™m high,
Fuck dem haters cuz they donâ€™t ride,
Live a life of crime, still it feels so right,
Purple haze in my lungs,
We ainâ€™t raising no guns,
We just came to have fun,
Ricky roll up that blunt,
Made a mil in one month,
I give you something to lean on,
Something for da gangstas, this is our theme song,
Moneyâ€™s what I dream on,

Pussyâ€™s what I fiend on,
Haters wanna stop Kay, tell em dream on,
Cuz my team strong,
Da beat is crazy and da vibe is right,
Iâ€™m gon meet a lady and we gon vibe tonight,
Iâ€™m getting high tonight,
Got my drink and my two step,
Bulletproof and a new Tech,
Straight outta Kingston and we ballin in da U.S.

Chorus

Cry Nation in da building, Iâ€™m letting you know,
All my bitches gotta feel me, you in love wit da flow,
Yâ€™all niggaz gotta fear me, got shots for my foes,

Rep for da streets dearly, never letting you go.

Cry Nation in da building, IÂ'm letting you know,
All my bitches gotta feel me, you in love wit da flow,

Verse 3

Uh! My watch bright like Vegas lights,
And we sippin on Hennessey, toast to life,
My flow is right,
YÂ'all niggaz just average, below my level,
My game so tight I over throw da devil,
Now da score is settle,
Uh! I get money by large amounts,
I got large accounts,
Bentley off to bounce,
Money we toss around,
Cry Nation records off da ground,
Da world is mine,
Ya chick love my swagger so ya girl is mine,
Da truth is what my word define,
Know you never seen a nigga flow like this,
Know you never seen a thug roll like this,
Been around da world, we take world wide trips,
Niggaz hear my flow and try flow like it.

Chorus

All my bitches gotta feel me, you in love wit da flow,
YÂ'all niggaz gotta fear me, got shots for my foes,
Rep for da streets dearly, never letting you go.
