Verse 1

If you could conquer da world with the utter of one
word,
Would you make it yours?
A life of tranquility is what we deserve,
I live da life of a gangster flippin em GÂ's,
A thoroughbred in da streets,
Now IÂ'm making em beats,
Stand back and watch da new era of da most intelligent
street niggaz,
They smart but a gangster at heart, loyalty is what I
teach niggaz,
Religious thugz,
The world need that love,
DonÂ't tell me you canÂ't see that love,
Know itÂ's impossible to go back in time,
But if I could, my niggaz would still be alive,
Loyalty! Product of da game,
No shame!
IÂ'm loyal to my niggaz, even when they layin in da
grave,
Homie IÂ'm paid,
A true playa in this industry,
Every nigga see,
Motherfuckas wanna murder me for my energy,
So da war never cease,
Glock in my hand, extra clip on my hipÂ... shots blast at
my enemies.

Chorus

IÂ'm down on my knees, beggin you please,
Say!
Please forgive me lordÂ...
You know whatÂ's in my heart and whatÂ's in my
thoughts,
Say!
Please forgive me lordÂ...
IÂ'm layin in my bed holdin my head,
Say!
Please forgive me lordÂ...

So when Iâ'm asleep, keep me safe in my sheets,
Say!
Please forgive me lordÂ...

Verse 2

I got blood on my hands,
Lord do you understand?
A man is just a man,
I am who I am,
Life is so short, death is so hard,
For my people in da morgue, God bless their soul,
Straight from my heart, Iâ'm just letting you know,
I grew up in da streets,
Only way to achieve is to go in da bushes and plant
weed,
Who loves a nigga like me?
Earth is a mixture of heaven and hell,
Anything can happenÂ... only time can tell,
Da wicked can live lavish,
While da holy still unestablished,
Itâ's a cruel world, you gotta fight for freedom,
Problem is everybody wants to be king to da kingdom,
They gain wealth but they never gain wisdom,
Da nation watch my back for me,
I wonder what this world got for me,
A wife and kids is not for me,
In da streets is where I gots to be,
A billion dollars is superfluous, I don't need it,

Me worshipping money, I can't see it,
Lifestyle be da realest.

Chorus

Iâ'm down on my knees, beggin you please,
Say!
Please forgive me lordÂ...
You know whatâ's in my heart and whatâ's in my
thoughts,
Say!
Please forgive me lordÂ...
Iâ'm layin in my bed holdin my head,
Say!
Please forgive me lordÂ...
So when Iâ'm asleep, keep me safe in my sheets,
Say!
Please forgive me lordÂ...

Verse 3

My boy Zala in da streetsÂ... god bless his soul,
My boy Ricky tryin to eatÂ... god bless his soul,
My boy Terry in da skyÂ... god bless his soul,
ItÂ's your lifeÂ... god bless ya soul.

My boy Zala in da streetsÂ... god bless his soul,
My boy Ricky tryin to eatÂ... god bless his soul,
My boy Terry in da skyÂ... god bless his soul,
ItÂ's your lifeÂ... god bless ya soul.

IÂ'm free as a bird,
In a zone by myself, just me and my herbs,
I was raised on Da River, used to chill on da curbs,
This life is just a hustle,
IÂ'm da streets apostle,
Mama livin in a castle,
No more runnin in da streets, lookin for cheese,
ThereÂ's hope now, my wrist is shining,
My watch got perfect timing,
Get away for days on da Virgin Islands,
Frequent trips to Africa,
To avoid da massacre,
I got game,
Quit callin my name,
My niggaz ballin da same,
Through blood, sweat and tears,
IÂ'm finally here,
Took me five years,
Got love for my peers,
You canÂ't mess wit me mentally,
I roll presidentially,
When da judge sentence me,
Life in da penitentiary,
And da devil mentions me,
Eventually!
ThatÂ's when god send for me,
IÂ'm da young prophet,
Got money in my pocket.

Chorus

IÂ'm down on my knees, beggin you please,
Say!
Please forgive me lordÂ...
You know whatÂ's in my heart and whatÂ's in my
thoughts,
Say!
Please forgive me lordÂ...
IÂ'm layin in my bed holdin my head,
Say!
Please forgive me lordÂ...

So when Iâ'm asleep, keep me safe in my sheets,
Say!
Please forgive me lordÂ...
