well i dont understand the phenomenon
we fuckin these hoes that look like spallala
rich boys think that its shit
but i like fuckin crack heads with one tit
and i do it at the drop of a dime
and i get the scabies almost everytime
so lets talk about my nut sac
i dont front jack, i got bugs on my ball sac.

well i'm Violent Jay and it aint no bitch
i'm always quick to tell ya when my nuts itch
cuz bitch if i'm itchin when i come home
drop a brick in a sock and swing it on your dome
you didn't think nothin of it just lemme stick it
probably should of known cuz
i thought i heard crickets in your neden
but i wouldn't say nothin though
i wouldn't say nothin til i'm done nuttin ho
and i'm like bitch how can this be?
i'm tryin to sleep while my nuts are up watching tv
and they try to walk to the store and get a 40
how these bugs get one me?!
somebody asks me how i got scabies
probably that homeless fat red neck bag lady
that i fucked in a shed
then the little critters on my dingaling said...

yo nuts we want your nuts
we'll itch and scratch and bite yo nuts
yo nuts we want yo nuts
please oh please fuck dirty butts
yo nuts we want yo nuts
we'll itch and scratch and bite yo nuts
yo nuts we want yo nuts
please oh please fuck dirty sluts

Birds on my boots and i dont give a hoot
Cuz i got me a purty womans love

i met this bitch and went up in it
dropped her off went to the clinic

bitch i got bizugs on my shiznet
so tell me what's up with that?
should of have said something about your bug problem
now i'm gonna have to slap you in your mouth bitch!
cant keep my muthafuckin hands out my drawers
stick a roach motel up under your balls
nah, i'd rather stick em in a deep fry
and sizzle those muthafuckas off my wang

so you wanna fuck around
always gotta buck around
lift up your dingaling nuthin but a buggy farm
now they call you funky nuts cuz you like funky butts
scratchin and bitin them then they call you monkey nuts
but i aint sayin nothin cuz you aint playin nothin
bring the track back and i'll get back to the nuts sac
track

i'm tryin to rap but the bugs are bitin
but i aint going out like a bitch yo fuck that
stick em in a blender and hit the switch then i hit the
bitch
met this bum in the back of a dumpster
fucked her in a rumpster juggaluga humpster
had to take a piss so i pulled out my wang
then i heard my dingaling sing...

yo nuts we want yo nuts
we'll itch and scratch and bite your nuts
yo nuts we want yo nuts
please oh please fuck dirty butts
yo nuts we want yo nuts
we'll itch and scratch and bite yo nuts
yo nuts we want yo nuts
please oh please fuck dirty sluts (x4)
