Draw something, make sure you don't forget your red
pen
Cause we gonna need it when you draw the blood in
Ps-ps-ps-psychopathic records baby all offensive
powers
Our plane's high-jacked, head for record label towers
Drink of choice, Faygo, rock-n-rye with henneseey
I like marijuana that is sent from Tennessee
I'm sick of rock guitars always lacing our shit
We about to get wicked for the sixth (the sixth), the
sixth (the sixth)
I like cutting heads off, blood trail through the house
Down to the basement where I hollow them out
don't you reach for the phone
I'm gonna cut you up and voodoo drums with your
bones

CHROUS:

Cartoon Nightmares!
Science fiction, brain incision
Cartoon Nightmares!
Satellites and televisions
Won't you draw me?
Liquid lines of (technicolor) color
I will hurry right there
(Walk like an) Egyptian

I'm like Richard Remeriz (the stalker)
And I didn't even know it
Of course I mean without the AC/DC and the mullet
Local rappers from my city, they try to talk smack
But they be so wack they ain't worth dissing back
(Twirk Yo' Body) Nope
Break your head, pull out your brain
Pass it down the line, we call it the train
Look at that girl (2x)
Booty in the pants (2x)
Shaking that thing (2x)
Like WHUT! WHUT! WHUT! WHUT!
If you were Andre The Giant, that shit would be slick
You could finger fuck a girl and she would think it's

your dick
Blood oozes down the screen
Off the page and magazine
Off the table to the floor
Cross the tile out the door

CHORUS

ICP heading back to St. Louis
Nelly scoot over, me and shaggy about to do this
There's an arm in my trunk (Whaa)
An arm in my trunk (Where)
Underneath the tire there's an arm in my trunk
I've seem to recognize this plaaaace
Up in county jail
Yes I recall, STALE
Me and Jumpsteady killa hookers at night
Check my bumper, hell if (??????) and blood in the light
Me and Billy Bill, we put a arm in shaggy's trunk
He would of never noticed, but it stunk soo bad...
There's an arm in my trunk (HEY YOU)
Give me a subway bun (Yeaaa)
Knuckel deep in mayo like yummm

CHORUS

Cartoon Nightmares, (Walk Like An Egyptain)
Cartoon Nightmares, (Walk Like An Egyptain)
Won't you draw me
Cartoon Nightmares, (Walk Like An Egyptain)
I will hurry right there
Cartoon Nightmares, (Walk Like An Egyptain)
Cartoon Nightmares, (Walk Like An Egyptain)
Cartoon Nightmares, (Walk Like An Egyptain)
Cartoon Nightmares, (Walk Like An Egyptain)
Cartoon Nightmares, (Walk Like An Egyptain)
