Down

A catastrophic demise  
A catastrophic demise

Unmeasurable regrets  
Unmeasurable regrets  
Unmeasurable regrets  
Unmeasurable regrets

Shit builds up, fills up  
too much goes over board  
what the f\*uck am I doing?  
Oh lord pressure stored exploded, unloaded  
what the f\*uck am I doing?  
I had to, is really too bad to  
went cucu  
gone mad too  
Plan back and stab fools  
who knew  
Sad news  
what the f\*uck am I doing?

I I I I I

Broke, it took some time  
Slow poke  
I finally gave way, when under deed  
Down flow  
No longer steering choosen  
An autopilot cruisin  
Haywire, crash, virus  
Pull your tongue out with pliers ! Chris Benoit !

No longer steering, lost all control  
Manipulation (manipualtion), it won't let me go  
The pain exploded (the pain exploded), the pressure  
burst (the pressure burst)

I drop the wheel (I drop the wheel)  
Heading for the worst (the worst)  
Heading for the worst (Chris Benoit)  
Heading for the worst (the worst)  
Heading for the worst (Chris Benoit)  
Heading for the worst (the worst)

Strobe Light  
Let go, hold tight  
Wake up to this  
Cold sight  
You did this, this you  
what the f\*uck am I doing?  
You got issues  
What happened, shit i'm snappin'  
All bloody myself i'm slapping  
One day, all the sudden, it became too much, wouldn't  
it  
Yes, finally will leash  
what the f\*uck am I doing?  
Unleash the beast  
Eject my controler  
what the f\*uck am I doing?  
Took me over  
I had to,  
its really too bad, too  
went cucu  
One night dude  
Grab that, stab, fools  
who knew  
sad news  
I'm Chris Benoit

No longer steering, lost all control  
Manipulation (manipualtion), it won't let me go  
The pain exploded (the pain exploded), the pressure  
burst (the pressure burst)  
I drop the wheel (I drop the wheel)  
Heading for the worst (the worst)  
Heading for the worst (Chris Benoit)  
Heading for the worst (the worst)  
Heading for the worst (Chris Benoit)  
Heading for the worst (the worst)

On any given night  
I can take you home, permanetly  
Because life is about pain  
I'm the cripler, Chris Benoit

A catastrophic demise  
A catastrophic demise

A catastrophic demise  
A catastrophic demise  
A catastrophic demise  
A catastrophic demise  
A catastrophic demise

I'm heading for the worst  
(Unmeasurable regrets)  
(The crippler)  
Heading for the worst  
(Unmeasurable regrets)  
(The crippler)  
Heading for the worst  
Heading for the worst  
The crippler
