I walked into the church dressed up, as an alter boy  
I see the preacher he said, lil boy Imma teach ya  
Put his hand on my shoulder, felt the claw of the beast  
I never thought it'd be so fuckin easy murdering a  
priest  
We went into the confession booth, he took off his  
clothes  
And cut some yay right on his bible top and ooted his  
nose  
I jammed a butcher's knife, 12 inches into his gut  
He looked me right into my eyes while I yankin it up  
Preacher killas

I walked into the sermon strapped with an iron crowbar  
Ill beat a nun into a bloody stew, in the trunk of my car  
How the fuck she got fake titties and pussy ring?!  
Bullshit  
She sucked the preachers dick in the pulpit  
I know the goins on  
Ive witnessed it with pushin my mop  
And blood gushin nonstop when hatchet go chop  
I ain't no fuckin holy roller  
Im outta controla  
Face painted fuckin preacher killas gone off they yola

Crooked preacher killas (cola)  
Crooked preacher killas (I gotta bloody em up)

We shootin for the preacher fuck!  
I missed and hit the reverend  
But it doesnt'tt matter though they say he's goin to  
heaven

And then I shot for the preacher I blew his ear off  
We in the balcony bustin gone off PCP and Smirnoff

Shot again I missed and hit somebody in the choir  
They fell back into the candle rack and caught the  
place on fire

I shot again I finally caught the preacher in his dome  
And then we put our barrels to eachothers heads and  
took it home

Crooked preacher killas (stop it)  
Crooked preacher killas (I gotta bloody em up)  
Crooked preacher killas (stop it)  
Crooked preacher killas (Leave the fuckin kids alone!)  
Crooked preacher killas (stop it!)  
Crooked preacher killas (I gotta bloody em up)  
Crooked preacher killas (stop it)  
Crooked preacher killas (i gotta bloody em up)
