People say I talk to much
I don't care I talk to much
Momma say I failed in life
I don't care I failed in life
Daddy says I drink to much
I don't care I drink to much
People say i'm headed nowhere
And I don't fuckin' care
Jimmy Johnsons gonna die
Sarah Suzies gonna die
Everybody Dyin' slow
I don't give a fuck though
I'm always short like \$50 bucks
I couldn't give 50 fucks
I could really use some help
You can go and fuck yourself

Everybody's gonna die, terror fallin' from the sky
Mothers wit' they children cry, and I could give a fuck
why

They say you'll never walk again
Well plug the Sega in
I think somebody stole my truck
Tell someone who gives a fuck

My entire World is falling, entire World is falling-
Repeat twice

How much do they charge in there?
Wait a minute, I don't care
Ima shoot you in the face
I'll tell ya how the bullets taste
Critics say you imitate
I don't give a fuck-u-late
50 million people dyin
Aww...i'm cryin (tounge sound)
You tell me all the things you saw
As if i give a fuck at all
You see me sittin' in the chair
Yet I aint even here
Everything your sayin' to me (sshhhh)

Go right through me
If I was to pick it up
I'd hafta give a fuck (and I don't)

I don't care nothing 'bout you
I can't do nothing 'bout it
I can't do nothing for ya
I don't care nothing 'bout you

Rain Forest burning down
Fulla Riots all around
I'm inside like "fuck'em all"
"What's the Main Event on Raw?"
Poison, Mad Cow Disease
"Can I get that wit' double cheese?"
STD's steady spreadin'
Bare-back up in this Neden (I don't care!)

My entire World is falling, entire World is falling-
Repeat twice

I don't care nothing 'bout you
I can't do nothing 'bout it
I can't do nothing for ya
I don't care nothing 'bout you

[talking]

"Everyday when I wake up, all I really wanna do is die
And go to the next phase where flesh and bodies
consumed,
that's all I give a fuck about"

Everyone is gonna die
Fuck I aint affraid to die
Come on shoot me in the eye
Do it, see if I survive
Give it to me point blank
Bet it won't (*gun shot*) "did you hit'em?"
"yes, and I don't give a fuck less!"

Carefull it's a dark night
Give your money or your life
Take'em both for all I care
Dump your bullets right here! (c'mon)
The Eviction note is on the door
I think they're crawling on the floor
ask me did i ever care.....nah

My entire World is falling, entire World is falling
My entire World is falling, entire World is falling
My entire World is falling, entire World is falling

I Don't Care, I Don't Care, I Don't Care, I Don't Care,
I Don't Care, I Don't Care, I Don't Care, I Don't Care
(echo)
