Thy Carney: hurry up, show's startin'!
Thy Random Patron: I can't believe they're still having
it! I better get
my butt in there right now!

Thy Ring Leader: Ladies and gentlemen, welcome to
thy sensational
and amazing....Carnival of Carnage! They said it
couldn't happen, they
said it wouldn't last, but boys and girls and everyone
we've got a
carnival for that ass! Tends of thousands of freaks,
sideshowes, and
fools, a carnival who together lives by there own rules.

Shaggy 2 Dope: We looked into thy stars, foretold
everyone:
something dark and wicked this way comes. We told of
oddities,
crawling from thy dark, and a carnival which we can all
belong
(ALL BELONG)
I dwell upon thy streets, and I can tell you this: I see
some circus,
Juggalo shit going on
Peolpe drawn together by rare and scrubby music, and
we even
gather once a year to PUT IT DOWN!

Syn Chorus:With tilt-a-whirls and merry-goes', and
carnivals of Faygo,
we'rejust truing to tell you all about thy light, right, Now
all thy Jokers
Cards have fallen with spectacular array, so when thy
Wraith is calling,
walk into thy light,right.

Violent J:I hold a bloody axe, dress in hatchet red, we
speak
languages people don't understand(DON'T
UNDERSTAND)

I send Faygos via punted clear across the stadium in
fashion only
fuckin Juggalos could ever demand
I got ninjas in my backyard wearing Anybody Killa
paint, I'm thinkin
"What thy fuck is going on?"
Then I see the platinum on thy wall, and I realize thy
Carnivals been
right here all along, So lets bring it on.

(CHORUS)

Shaggy, 2 Dope and Violent J: Thy crows have
overlooked, we gave
you all they gave, the carousel will spin on through thy
night
(THROUGH THY NIGHT)
In Oz I'd be the Wizard, 'cause I'm overwhelmed, but
we just hoped
thy Jokers Cards would point you out to thy light/ So
you'll be tight/
right

(CHORUS REPEATS)
