Well you never juggle that junk in the mix
I been down the road and I broke a few necks
And I'll break a few more so what's up?
Road by me, Im gonna hold my nutz up!
It's fine ta fuck you wit dat(wit dat)
I hear some skank let me hit dat(hit dat)
I'm Violent J and I'm one to fake
I wanna see some folded up skank bitches naked!
I pass out when it gets dark
and woke up naked at the Clark Park
Gotta go gotta go before I get the wrap!
Gotta chopped off head chillin' in my lap!
Mister shrink, mister shrink I'm sick
Luna-tic-tic-toc it don't quit
It don't quit, it don't quit
Mister shrink I'm sick, a luna-ticy-tic

The doctor told me I'm a psycho
So I ate his face like I don't know
Knife to tha neck and I got some mo'
The night of the axe, the night of the .44
Bitch I'm a man you can talk ta'
But after you leave Im'a stalk ya
and if you're a lil' kid Im'a take ya
and if you're a neck Im'a break ya
and if you're an old lady Im'a mug ya
CUZ BITCH!, YA CAN'T FUCK WITH THE JUGGLA!

Yes, ladies and gentlemen, he is...the juggla
He'll cut your windpipe, eat your face
And slit your motherfucking heart out
You can see this freak show at the world famous
Carnival of Carnage
Keep juggling, motherfucker!

Cuz ya know the juggla will throw ya up fast
And if I drop you that's your ass
I shake and twist, try to keep calm
I might go to hell cuz I'm down with Esham
Gotta rhyme for your Uncle Willy
Then I hit him in the head with a Billy

Willy, Willy, watch your mouth
And fuck the south

Running with a gang of twenty street hoods, yo
What's up bitch, ah, what's up ho?
Sometimes you act like you ain't down
With a psychotic wicked clown
Fucking my friends ain't healthy
Cuz I grab you by the face and fuck you up
And it's like that bitch that's the way it is
I'm allowed to fuck, ho, I'm in show biz
Sets in the hood want me for dead
So I paint my tag on they forehead
Stick your little 'kay by my taggin'
You can fit twenty clowns in a Volkswagon
And we coming straight to your brick house
I'm a huff, and puff, and blow your fuckin' neck loose
And then I might mug ya
Cuz they're will be no fucking with the Juggla!!!

Juggling eyeballs, juggling heads
What you've heard about, what you've read
The juggling wicked clowns will come to your
Birthday party, wedding, and barmitzva
And cut your back off for a small fee
The juggla ain't taking no shorts from nobody

Tweedle-dee and tweedle-doh
Let the fucking bass go

And the juggla make it last
Down with 2 Dope and try n' get trashed
My fellow fucking fellas
Southwest gangster killas
Violent J, the psychopathic
Some might say I'm schitsofrantic
Others think I'm quite the psychic
But somehow the bitches like it

What's up bitch, let me get the shot
Right here and now, butt-naked on the spot
Why am I like this, like that
Why are you like that, like this
The ghetto took my brain and motherfuck I want it back

I'm that nerd in the back of the class
That went psycho and killed your ass
I slash and cut and hack
With a "Kick Me" sign on my back
In my corner is scyne therapy
They take care of me, but don't stare at me

Cuz like I said I'll mug ya
Now run on home and don't fuck with the Juggla!!!

Finally happened, the wicked clown have come to your
town
And he's got your daughter by the hand
Showing her a new land
The southwest ghetto zone, where all the jugglas roam
Come one, come all and have the juggla cut your face
off
Skip to the lou

Juggla juggla fuck with the juggla
You can't fuck with the juggla

Tweedle-dee and tweedle-doh
Let the fucking bass go!
