You know what'd be the shit?  
(Lets trip in the sun)  
What if we had our own island, man?  
(Lets trip in the sun)

Violent j:  
I got my toes in the sand  
Watchin' hoes play volleyball  
It's summer time  
And I'm feeling jolly, ya'll  
Food on the fire,  
boats in the water  
and takin' time off from my serial slaughterin'

Here for the weekend  
me and these friends  
sunny sunshine, blue skies never end.  
There's a mermaid wavin' me to come in  
underwater on my balls she's hummin.  
Smokin' on a fat one  
We come to have fun  
I got my dick in your hotdog bun  
Pouring out shots for everybody that's sippin'  
Let's get loose now, skinny dippin'  
Don't hate me cause the speedo I'm wearin'  
Got your girlfriend stairin'  
We out here  
sky's so clear  
ice cold beer  
suntan topless  
Bitch, come over here.

Chorus:  
(Get up ya'll)  
On Juggalo Island  
We can be one  
Let our nuts hang by the water  
On Juggalo Island  
We can have fun  
We can let go by the water

Shaggy:  
bang! pow! boom!  
Sunny like high noon  
met some lettes and they all comin' over soon  
Have a luha  
I'm getting blew out  
come over here if you ever get threw out.  
We gotta place for ya  
never will ignore ya  
gotta hot plate  
and a drink we gunna pour ya.  
Corpse on tha grill  
plays on the one two  
and around here the dead have fun too  
Stiffs in the water float  
and we see you doing flips in the air on a sea-do  
No cops  
unless they pourin out shots  
unless you're helping us smoke these crops  
Surfin' on the big one  
havin' big fun  
fuckin with a big fat one under the sun.  
Lettin them hang  
doing our thang  
listen to them up and down the beach  
everybody sing.

(get up ya'll)  
On Juggalo Island  
We can be one  
Let our nuts hang by the water  
On Juggalo Island  
We can have fun  
We can let go by the water

Violent J:  
And when the sun goes down  
we up all night  
dance of the dead boogywoogy in the moon light.  
Fuck the rules right?  
the dead do bite  
listen to the ouiji board  
we can only do right.  
Can't do wrong fatty  
in a blue thong  
everybody can't be together with you gone.  
Come get with this wicked ridiculous  
this world is ours  
everybit of this.

Shaggy:

Get you a burger with cheese  
enjoy the breeze  
i'm choppin coconuts outta palm trees  
And we all in  
a free ballin'  
see me shore side surfin' on a dolphin  
Grass skirt dead  
hola girls, hatchets  
and whatever your fishing hook catches.  
We don't leave without you  
so lets hang boom pow bang  
lets do the damn thang.

(get up ya'll)  
On Juggalo Island  
We can be one  
Let our nuts hang by the water  
On Juggalo Island  
We can have fun  
We can let go by the water

(let's trip in the sun)  
On Juggalo Island  
(let's trip in the sun)x5  
On Juggalo Island  
(let's trip in the sun)x5

On Juggalo Island  
We can be one  
Let our nuts hang by the water  
On Juggalo Island  
We can have fun  
We can let go by the water
