Meat Cleaver"

Yeah

(What's that)

Myzery(Word up)

Twiztid(Yeah)

And the Insane Clown Posse(Know what I'm sayin?)

Forming a 50 foot Voltron on your ass

Your worst nightmares couldn't fuck with this

Run that shit

I'm rollin with the Psychopathic

Make a move, and shit gets drastic

Leavin mutherfuckers in caskets

Or wrapped in Reynolds plastic

Cause we psychosomatic and schizophrenic lunatics

Holding my balls we know

Which engulfs the tip of my dick

We real sick bitch, run and tell a friend

Twiztid in at the beginning

Means of the beginning of the end

The world dealt me a healthy hand of pain and lies

And you can see the hate in my eyes it's no surprise

It ain't shit bitch believe that

Suckers claiming they paid

They can't even handle they weed tax

I leave tracks like a needle

You phony as the 5th Beetle

Fuck a B on a deedle

Rockin Toledo like a trooper, What?

Leaving your conscience in a stuper, What?

Fuck a Smith and Wesson I can grab the luger, What?

And right before I shoot ya

I snap your back like I was Lex Luger

Chronic weed abuser (Wooooo!)

As we capitalize and enterprise music scenes

Money motivated, goal, and a dream

Like Martin Luther King

Hesitaters pause while we crack their jaws

Swooping over they town like Super Balls (Woo Woo!)

I roll with Bones and it's on like that

Making suckers spasm so hard they lungs calapse

Twiztid's the sound
Something that your worst nightmares couldn't fuck
with
Prepare to duck bitch
Cause I'm runnin' with a meat cleaver
Runnin with a meat cleaver, yo!
And if you missed it the name is Twiztid
Runnin with a meat cleaver, yo!
Qui qua Myzery para isla
Runnin with a meat cleaver, yo!
Shaggs and J, Insane Clown Posse
Runnin with a meat cleaver, yo!
Psychopathic
From the NY come Myzery the red eye and raging
Minority and JumpSteady plotting retaliation
Suffocating dirty cats, player hatin
Gats we packin
Skullys and army jackets
Headed out of psychopathic
I got a plan so stack the ammo in the trunk
The word is that down town we don't front
Spark the blunt, give em what they want
Psycho thugs, loaded slugs
Loco in la cabeza
Get away rides in ce pasa
Destination para mi caco pato
There without muchacho
Cock slowly the deracho
There go that long acho
My shit is jammed
For you planned
Body's wounded badly
Move quickly before they bag me
Being chased down this dark alley
I'm a wounded ass
Minority hollering I gaba
I pulled out my blade
And carved it in him like a mansana
Now back to the ride floor it corpses
No remorse's
Psychopathic and Spanish side we joining forces
Runnin with a meat cleaver, yo!
And if you missed it the name is Twiztid
Runnin with a meat cleaver, yo!
Qui qua Myzery para isla
Runnin with a meat cleaver, yo!
Shaggs and J, Insane Clown Posse
Runnin with a meat cleaver, yo!
Psychopathic
Myzery(I smell gun powder)
Twiztid

And the loco Insane Clown Posse (I smell raisins)
Psychopathic Records
Para siempre!
I smell garlic my head hurts
Cause my brain is cursed by voodoo wizards
My skin turns blue and I start to shake
My tongue comes out like a snake
Ssssss
Zunga bunga hooly goo bo
That's my Ugandan voodoo flow
You don't know what it meant
Til the next day you wake up
With your dick in your homies butt
I might grab your face, twist your neck,
And then let it go (Brrrrraah)
And then Shaggy climbs up my back
And we attack and hit ya like a 10 foot ninja(Ninja!)
I paint my face like a clown
Other times I paint it like Sting and come down
The rafters up at the mall and throw old folks to the
ropes
And chop their throats (Woooo!)
But I ain't no wrestler
I'm a serial killa murderous molester
Naww, I'm just juggalin your balls a bit
It's J who's into that shit (Yeah, fuck you)
And if you wanna get lippy
I'll stretch your lips out and call you skippy (Hehe)
The bottom line is we twisted like Sam Kinison's back
After the car wreck
Runnin with a meat cleaver, yo!
And if you missed it the name is Twiztid
Runnin with a meat cleaver, yo!
Qui qua Myzery para isla
Runnin with a meat cleaver, yo!
Shaggs and J, Insane Clown Posse
Runnin with a meat cleaver, yo!
