This is for all the Juggalos enjoyin these days with us in Shangri-Leezay

Who's for smokin'? Well, they're hella tight  
Like Hallowicked 2002 second night  
Let me tell these fucks about 8 Mile road  
And how we run this bitch, let the truth be told  
Black truck convoys stretching East to West  
With little hatchetmen in back windows upper left  
This juggalo nation, can't nothing compete  
Cause we run under with the dirt flip side of the street

Ever since the first time I seen the diamond rain  
I'm loving every second that the shine is seen  
So many wanna see us bring the fire rain  
Like can't we just enjoy it, while the time remains

I been to Crystal Forest under a green lit sky  
Tornadoes of glitter float calmly by  
Angels fly naked letting they titties swing  
And so many fucking diamonds, you can ice errrrthing

(Chorus 2x)

Ain't nobody gonna stop my shine  
Ain't nobody gonna stop my shine  
Ain't nobody gonna stop my shine  
You ain't stopping mine, it's so fine

Rap Game, it's happening, I'm stepping in  
I represent the hatchetman, as best I can

You can not hold be back

Just like The Wraith I walk through you  
I Kung-Fu like goru and Southwest Voodoo  
It's Joe Bruce baby, legendary relax  
I see you running down hallways now looking for cracks  
Everybody when I'm waking and no halo on my shit  
I got a body on my bathroom floor  
So I cut it and I chop it and I wrap and I drop it  
I take a shower and I'm ready for more

I get wicked like AIDS in a gay man's butt  
I spit lyrics so cold my mouths frozen shut

Rap Game, it's happening, I'm stepping in  
I represent the hatchetman, as best I can

Ruby red trees, yellow gem bushes  
Mercury waterfalls, granting all wishes  
Neon clouds, look in the myst you'll find  
My axe in the back of the fool trying to stop my shine

(Chorus 2x)

Ain't nobody gonna stop my shine  
Ain't nobody gonna stop my shine  
Ain't nobody gonna stop my shine  
You ain't stopping mine, it's so fine

Rap Game, it's happening, I'm stepping in  
I represent the hatchetman, as best I can

Truth is I never been to any Churches,  
'cept for some chicken  
I dont trust noone, I tell a priest eat a dick, and  
Then spit some old school Esham on his ass  
I even use Bible papers when I'm twisting my grass  
But the Carnival has always been around with us  
blessing  
It ain't never tried to feel up my balls at confession  
We know the Carnival is God. That's odd? So what. It is  
And we ain't sorry if we tricked you Bitch!!!'

(Chorus till the end)

Ain't nobody gonna stop my shine  
(YES! THINK WE GIVE A FUCK? WHAT?)  
Ain't nobody gonna stop my shine  
Ain't nobody gonna stop my shine  
You ain't stopping mine, its so fine

Ain't nobody gonna stop my shine (THE FUCK?)  
Ain't nobody gonna stop my shine  
Ain't nobody gonna stop my shine (WHAT?)  
You ain't stopping mine, you ain't stopping mine

Rap Game, it's happening, I'm stepping in  
I represent the hatchetman, as best I can
