[Violent]:]

Something has woke my a thump on my roof, it was  
followed by crashing, more  
thumping ensued  
I jumped out of my bed thinking I'd been invaded,  
heard smashing, more  
pounding, the sound escalated  
Looked out of my window, blood dripped down thy  
glass, I see bodies lay twisted  
and mangled on grass,  
I ran into thy main room and Shaggy was dead, so was  
Nate the Mac, Jumpsteady  
and ABK  
Bolted out of thy house to see if it's a joke, I heard  
hundreds of car alarms,  
saw flames and smoke  
and thy sky above red, I see dead bodies fallin' it's  
raining with corpses thy  
blood is appalling

[Chorus: Shaggy 2 Dope and a gang of Juggalos]

Mama told me when it rains - IT POURS, but never  
mentioned Dead Bodies - DEAD  
BODIES  
Mama told me when it rains - IT POURS, La de da da de  
la da de -  
DEAD BODIES

[Violent]:]

I never seen so many.... horrified looks on people's  
faces...  
(Thy blood is appalling)  
I hope I never see what all them people saw... and put  
them in there places...  
(Thy blood is appalling),  
The sun was so hot... So hot...  
I was burning... Yeah

Dead bodies lay randomly some stack in piles, on all of  
there faces pour  
horror, no smiles

I see children, and ciders, and ninjas my age, all lay  
naked and mangled, most  
withered for days,  
I found safety a shelter I'm under a tree; only fingers  
and organs come falling  
on me,  
I lay sleepless for days as thy raining continued, thy  
heat of thy sun baking  
corpses like food  
Then it finally stopped I walk knee deep in blood, over  
piles of bodies threw  
what was my hood  
It was right at that moment thy Wraith had appeared,  
and thy message it left me  
might sound kind of weird  
But take all that I'm seeing and opposite that, truth is  
I'm thy one dead and  
this is my Hell's Pit.
