Rainbows & Stuff

This one goes out to that special someone in my life

We all have someone special, this is for them

I like ice cream, cherry pie and lemonade with summer breeze

I like rainbows, leafy trails, and puppy dogs with bumble bees

I like cotton candy candy gum, and bumper cars, and carnivals

Golden skys, and hazle eyes, and sand in between my toes, but

Something tells me that I hate you

Something tells me I must kill you

You ain't shit but a slutty ass mother fucker

Slut you fucking whore, I fucking hate you

I like birthday candle cakes, and titty shakes with silicone

Secret whispers, and D-Loc's sister, and apple dips, and gingerbread homes

Faygo chills they give me thrills, and nyquil pills they make me smile

Hershey kisses, and happiness is something so bliss and yet all the while

Something tells me that I hate you

Something tells me I must kill you

Suck my fuckin dick fuck off

Go fuck you self you funky as beeatch

Come on, come on (bitch)

Come on, come on (bitch)

I fuckin hate you

Come on, come on (bitch)

Come on, come on (bitch)

If I was you I'd slap that bitces nipples shut

I like Shaggy, he's my friend I like his mom cause she's nice to me

Thank you J, I like you too, well its ok, were family

Raver chicks, and kung-fu flicks, and sugar sticks like lolly-pops

All of these things happiness brings

But my hatred for you dont stop

Something tells me that I hate you

Something tells me I must kill you

(repeats until song ends)
