Step forth and face the beast that is the mighty
Tempest! Dare to go for a spin on the
world's most horrifically fabulous ride! Behold the
Tempest! The fastest, highest,
steepest, and tallest coaster-ride ever to exist on this
or any other planet!

We fuckin rollin with no controllin, them bolts aint
holdin.

Take you higher, rollin on wires, till time expires.
Swingin corners, so kids are goners, you hangin on-
ers.

Duck them tunnels, they shrink like funnels. Get your
forehead pummeled

We upside down you, then round and round you, your
evil found you.

Let's go faster, its sheer disaster, while spinnin
backwards.

Jagged edges, no kind of ledges, with broken wedges.
Its the largest, fastest, steepest, deepest, tallest, all
this and more, roller coaster.

[Chorus]

It's something thrilling for you, so get on, get on it
(come ride The Tempest)

You got that feelin in you, so jump up, jump on it (Jump
on it)

It's somthing wicked for you so get on, get on it (Let's
ride The Tempest)

We got that ticket for you, so jump up, jump on it.

Electrifyin and now you climbin, feels like you flyin.

The cars are shakin, slowly elevatin, sound like they
breakin.

Rickety, rickety, clickity, clack, up we go, you no look
back.

Some french guy had to look, froze up and fell out, he
got so shook. So fuck him, them

polls keep duckin, this cart you stuck in upward spiral,
the rings of fire, still climbin

higher

Rackety, rickety, clackity, click, now you on the tip-top

tipity tip

Tip of the largest, fastest, steepest, deepest, tallest, all this and more, roller coaster.

[Chorus]

It's something thrilling for you, so get on, get on it
(come ride The Tempest)

You got that feelin in you, so jump up, jump on it (Jump on it)

It's something wicked for you so get on, get on it (Let's ride The Tempest)

We got that ticket for you, so jump up, jump on it.

Straight down, you fallin you fallin straight down so fast your skin in crawling

Straight down, you fallin you fallin straight down so fast your skin is crawlin

You fallin so fast, you see your whole life flash, your balls jump up your ass in a quick

dash, you get whiplash, the shit's so fast on your bitch ass, and it dont stop till the shit crash

[Chorus (2x)]

It's something thrilling for you, so get on, get on it
(come ride The Tempest)

You got that feelin in you, so jump up, jump on it (Jump on it)

It's something wicked for you so get on, get on it (Let's ride The Tempest)

We got that ticket for you, so jump up, jump on it.
