Man fuck that shit man
Fuck that, what
Man whats up with this bitch man
She better come suck my dick or somethin
Bitch
Who's goin next, I'm diein to see
Spin the bottle baby and give it to me

It's Pauly, baby Pauly, with nipple lickin love
Sportin cowboy boots and a florecent glove
I lasoe you up and then I jump on your back
I, I, I need's no saddle I just sit on my nutsack

Who's goin next, I'm dying to see
Spin the bottle baby and give it to me

It's stretch nuts up to bat and I'm betta get this hoe
Bottle still spinnin and my sack about to blow
Up in my pants chick stop the frontin
Lets skip the game, and get down to humpin

Who's goin next, I'm dying to see
Spin the bottle baby and give it to me

It's me Jamie Madrox, creater of dreams
I tap and touch and tickle til you melt like ice cream
I know you want my body, fat kids are so sexy
Take off all your clothes get over here and get next to
me BIOTCH!

Who's goin next, I'm dying to see
Spin the bottle baby and give it to me

It's Violent J baby, the wizard of the streets
Sportin your panties just to show you I'm a freak
I slide in your bed for a cotton suprise
Got clown makeup smeared on your inner thighs

Man which, which, who the bottle pointin on?
What, what
Somebody better suck my dick in this motha fucka

I ain't playin no mo'

Who's goin next, I'm diein to see
Spin the bottle baby and give it to me

You can call me the plumber cuz I snake your drain
But butter milk love nugget that be the name
I swings to tha left cuz, I'm swift with my meat
And I tickle twist your nippy, nipples off, damn

Who's goin next, I'm diein to see
Spin the bottle baby and give it to me

Spin numba two wit my chances lookin good
Already hit ONE neden now I'm goin for her friend
It don't make a difference I really don't care
The size or the shape as long as she got neden hair

Who's goin next, I'm diein to see
Spin the bottle baby and give it to me

All I hear is bang, bang, bang, no I ain't trippin
Pink fun so wet that my wang is slippin
Quicker then I grabbed my eyes then she replied
I could get better traction if I get it from the side
Now baby, baby, bitch, bitch let me get some neden
Try'n ta leave this nut stain on your mamma bed

Who's goin next, I'm diein to see
Spin the bottle baby and give it to me

It's me again J, I would love to turn you out
But I think I pass cuz you shit is blew out
Just hold the shit together cuz somethin radio
Or maybe you can let me holla, up your booty hole

You gonna suck Violent J's dick, lick Shaggy's balls
Fuck Monoxide and you won't even touch my butt?
Bitch I'll choke yo ass, motha fucker
How many times the bottle gotta land on me?
I ain't gettin no lovin in this motha fucka
Hey look, touch my butt, touch my butt right now
Come on, I'ma pull it out, I'ma pull my butt out
You better touch my shit
Don't fuck with me girl, I know were you live
Touch my butt, touch my ass right now
Look, look it's alright, touch me, touch my ass
Girl you better touch my ass!
(who's goin next i'm dyin to see, spin the bottle baby
and give it to me)
