Knock Knock Knock

...

How horrid to be buried alive  
Imagine the terror of being trapped in your own coffin  
Your heart beating wildly, every gasping breath  
Using up your valuable oxygen

My hand popped up out of the dirt  
Crawling out with broken wrists that dont even hurt  
My blood wont squirt it's rusty.. dry,  
A milipede made it's home in my eye  
I'll get by till the wicked Halloween  
I'm howl-ing straight dogs follow me  
I'm coming home dead man walking  
My feet flop Clown Walkin' might make a beat drop  
Spend twenty-five years I'm chewing on gum  
Wait, I got none I'm chewing on my tongue  
Walk, oh my leg snapped off at the knee  
I beat a kid in the head with it and stoled his candy  
drag myself all the way to my old block  
There go my old house, I go "knock"  
Trick or treat, some chick opened it up  
I stabbed her in the gut, started choking the slut

What happened to the wicked shit  
cuz we all walk in Hellowicked  
yeah, it's time to get blood  
and we get blood in it!  
It's time to get blood  
and we get blood everywhere!

What happened to the wicked  
This real Wicked Hellowicked  
Yeah it's time to get blood  
and we get blood in it!  
It's time to get blood  
and we get blood everywhere!

Extremely often, I'm laying in my coffin  
but this Halloween the lid's comin' off son

A dead ninja got work to put in  
and quite a few assholes to put a foot in  
it's been twenty years, I wonder where my bitch at  
My dick's still intact, I wanna hit that  
aint shit buddy, and this aint a costume  
I only live under the light of the Mooooon!  
Lookin for the bitch in the phonebook  
but my only one good eye, it wont work  
finally found the address, I'm going there  
Lookin like a big Yoda, but I dont care  
rang the doorbell with a dead ass rose  
long ass worm hangin outta my nose  
my bitch got older, look like mick Foley  
I killed her, cuz I refuse to die lonely!  
come on bitch!

What happened to the wicked shit  
This real Wicked Hellowicked  
It's time to get blood  
and we get blood in it!  
It's time to get blood  
and we get blood everywhere!

What happened to the wicked  
This real Wicked Hellowicked  
It's time to get blood  
and we get blood in it!  
It's time to get blood  
and we get blood everywhere!

Bring, bring, bring that shit back (the wicked)  
bring that shit back  
the wicked, Hellowicked  
bring, bring, bring that shit back (the wicked)  
the wicked shit back (the wicked)  
Halloween

What happened to the wicked  
This real Wicked Halloween  
It's time to get blood  
and we get blood in it!  
It's time to get blood  
and we get blood everywhere!

What happened to the wicked  
This real Wicked Halloween  
It's time to get blood  
and we get blood in it!  
It's time to get blood  
and we get blood everywhere!
