You promise me  
Just me and you

You promised me the moon and the sun, the birds and  
the sky  
You promised me a wonderful life they were only lies  
You promised me all diamonds and pearls that I never  
kept  
You promised me where the roses are gold but soon  
you forgot

You promise me  
Just me and you

You promised me I could be your queen and you be my  
king  
You promised me a white wedding dress, where is the  
ring  
You promised me your time of caress, your kisses at  
night  
So try to show it wasn't in vain, cause i'm wasting my  
time

You promise me  
Just me and you

Tu es foutu-tu-tu-tu-tu ...  
Tu es foutu-tu-tu-tu-tu ...

I don't know what to do with my life  
But i know my rule is no second chances

You promised me  
You promised me  
You promised me

Tu es foutu-tu-tu-tu-tu ...  
Tu es foutu-tu-tu-tu-tu ...

You promised me ...  
Yu es foutu ... (This should be Tu es foutu)

You promised me ...  
Yu es foutu ... (This should be Tu es foutu)
