It's nothin' new ya saw it comin'

It's nothin' new don't act surprised

I've got some news for ya baby

Yeah I finally opened up my eyes&

I've got the blues for ya lately

I get the ruse from ya now

I got some news for ya baby

So I think you better sit on down&

It's nothin' new ya saw it comin'

It's nothin' new don't act surprised

I've got some news for ya baby

Yeah I finally opened up my eyes&

It's nothin' new ya saw it comin'

It's nothin' new don't act surprised

I've got some news for ya baby

Yeah I finally opened up my eyes
