I wrote this song for you, go to hell
Yeah you know that it's true, I can tell

Aah just when you thought you had got me down
Aah just when I thought things were coming round

Go to hell (go to hell), (go to hell), (go to hell)
Don't wish me well (don't wish me well), (don't wish me well)

I wrote this song for you, go to hell
I customized the words, for myself

Aah just when you thought you had got me down
Aah just when I thought things were coming round

Go to hell (go to hell), (go to hell), (go to hell)
Don't wish me well (don't wish me well), (don't wish me well)

Go to hell (go to hell), (go to hell), (go to hell)
Don't wish me well (don't wish me well), (don't wish me well)

She said

I wrote this song for you, go to hell
It's sentiment is true, you can tell

And now my days are back to being swell
I won't send you no postcard underground

Go to hell (go to hell), (go to hell), (go to hell)
Don't wish me well (don't wish me well), (don't wish me well)

Go to hell (go to hell), (go to hell), (go to hell)
Don't wish me well (don't wish me well), (don't wish me well)
