"Monkeys"

Visit "[Monkeys](#)" on MotoLyrics.com

This town is full on monkeys, living in a zoo
This town is full on monkeys
Money-grubbin monkey fools
Round and round and round they go
Watch em climbin the rope
Round and round and round they go
Watch em fall off the pole

Move away yes far across the sea
Not sure how long we'll be living here
pack our things, yes now I can see
I think living here is a good idea

This town is full on monkeys, living in a zoo
This town is full on monkeys
Money-grubbin monkey fools
Round and round and round they go
Watch em climbin the rope
Round and round and round they go
Watch em fall off the pole

Move away yes far across the sea
Not sure how long we'll be living here
pack our things, yes now I can see
I think living here is a good idea
