don't really need no, no bag o' cocaine
I don't really need no, no fold a smack
Been there and done that, that ain't too clever
I sure don't miss it had enough of that crap

Bank robbers shootin up North Hollywood yeah
Seems like a rerun livin on this town
I go see a movie, try and entertain me
It don't half compare to the shit
that's goin down around here

It's old hat
It's old hat
It's old hat
But I sure do like the sound of that

I don't really need no, no sub machine gun
Your paranoia is getting old
But I wouldn't mind to have myself a bazooka
I'd go play Elvis and blow a hole in my heart
It's old hat
It's old hat
It's old hat
But I sure do like the sound of that
It's old hat
It's old hat
It's old hat
But I sure do like the sound of that
