Cousin Stan's in Houston
Writes about Caroline
Buddy's on the back porch
Drinkin' tea with lime
Me I'm on the outside
Sometimes lookin' in
I get cold when I'm all alone
And the heater can't stop the wind

Brother Kev's in Indy
Brother Joe is too
Me I'm undecided on where I'm gonna go
Guess I should be happy
Bout all that I've been through
I call Roy but the lines engaged, I try callin' Joe K
I guess I can't complain
So good so far now how bout you

On down the road again on down the road
On down the road again on down the road
On down the road again on down the road
And I'm not lookin' back you know

Cousin Mark's in Austin
Writes about Caroline
Buddy's on the back porch
Drinkin' tea with lime
Me I'm on the outside
Sometimes lookin' in
I get cold when I'm all alone
And the heater can't stop the wind
I guess I can't complain
So good so far now how bout you

On down the road again on down the road
On down the road again on down the road
On down the road again on down the road
And I'm not lookin' back you know
And I'm not lookin' back you know
And I'm not lookin' back you know
And I'm not lookin' back you know
