Parasite-I look you in the eye
Parasite-you know you're gonna fry
You're justa maggot in a one horse town
You're such a loser, ya sold my guns

And you're a parasite-and you'll be hangin high
And you're a parasite-I'm laughin when you fry-hey

You're justa maggot in a one horse town
You're justa nothing and you're going down
You fuckin loser you stole my guns

You're a parasite-you're justa bag of lies
You're a parasite-I'm laughin when you fry-hey
