Say good lookin  
yea real fine baby  
said good lookin'  
watcha say maybe  
u and me  
sailin' deep, huh  
ride on baby

I heard ya been bitter  
'bout your old friend bitchin'  
if it'll make you feel better  
well take a ride into the weather  
u and me sailin' deep, huh  
ride on baby  
(solo)  
damn good lookin'  
say ya real fine baby  
I'm packin for a runnin'  
past the city limits  
u and me  
sailin' free  
u and me  
ridin' free  
ride on baby
