For you a go back there

Always get a run-in

I know you aware

Always bet a run-in, yeah

What you gonna, what you gonna do

Run, run, run-in

(Run de run, run, run)

What you gonna, what you gonna do

Run, run, run-in

(Run de run, run, run)

Said -

Run de run, run, run Run,

run, run-in Run, run, run,

run Run, run, run-in

The city too hot for you here

Far over a hundred

The sun is burning near

For one and every other, other

Run a run, run, run

Run, run, run-in

Run, run, run, run

Run, run, run-in
