And I, man, shall walk
In an ocean of dark
Like a breeze in the park
On to the next star
And I, man, shall know
Sure enough as I go
All will be fine, ooh yeah

La la la la la la
La la la la la la, la la la la la
La la la la la la
La la la la la la

Tried living in the underground
You move around, don't make a sound
You see a light and the hope grows
Throw you a line but your rope broke
La la la la

La la la la
Yeah, yeah, ooh yeah
La la la la la la
La la la la la la

And I, man, shall see
To the ocean and sea
Like a breeze in your farm
On to the next barn
And I, man, shall know

Sure enough as I go
All will be fine, ooh yeah

La la la la la la
La la la la la la, mm, ooh
La la la la la la, ooh yeah

La la la la la la
La la la la la la...
