Punish me
Take my hands and
Tie me up
I've been bad so
Make me pay
I don't know how to
Runaway
Runaway from, away from
>From the pain
I don't know how to
How to love
How to love you how you need
(So do as you will with me)
Chorus:
I need pain
I wanna feel the endorphins
Rush through my body
I need someone
Someone who can
Overpower me
And make me pay for my crimes
Listen up
I got this feelin' I've been
Hittin' you up
Hittin' you up for a
For a drug
A drug that only you can provide me with
And you know what it is so
Just listen as I tell you 'cause I...
Chorus x2
I feel relieved
I know you can feel me beneath you
I read your mind
And you read mine
As we tumble further
Into a velvet goldmine
A velvet goldmine
Chorus x3
