You never paid attention to what happened to you
You'll never make a difference, no you'll never get
through
You never gave a shit about no one else's life
Your life is just a joke, just a ton of lies

CHORUS: Because you never took nothing seriously
Life was just a real joke
Never really said nothing definitely
Could not decide between yes and no
Because, V.O.D. -you're a victim of demise
V.O.D.
V.O.D. -you're a victim of demise
V.O.D. -one we all despise
V.O.D.
Victim of demise

You've got some crazy dreams running though your
dead
You woke up in the morning and you found yourself
dead
You never really cared about anything else
To you nothing existed except for yourself

CHORUS

BRIDGE: You've always been a victim of demise
You are the one that we all despise
We wonder if you'll ever realize
You're not the only one who is victimized

(guitar solo - Buck)
