I watch the doorway
Quietly waiting you
This is a nightmare
I wanna date you

You get right under my skin
You get right under my skin
You get right under my skin
You get right under my skin

I wanna feel you
Ive gotta shake you off
I wanna hate you

Your words they haunt me
I over-analyze
I watch the doorway

You get right under my skin
You get right under my skin
You get right under my skin
You get right under my skin

Ive gotta get out of here ive gotta get out yeah
Ive gotta get out of here ive gotta get out
Cause im falling faster
Falling faster

Ive gotta get out of here ive gotta get out yeah
Ive gotta get out of here ive gotta get out
Cause im falling faster
Falling faster

You get right under my skin
You get right under my skin
You get right under my skin
You get right under my skin!
Ive gotta get out of here ive gotta get out yeah
Ive gotta get out of here ive gotta get out
Cause im falling faster
Falling faster

Ive gotta get out of here ive gotta get out yeah
Ive gotta get out of here ive gotta get out
Cause im falling faster
Falling faster

Ive gotta get out of here ive gotta get out yeah
Ive gotta get out of here ive gotta get out
Cause im falling faster
Falling faster

Ive gotta get out of here ive gotta get out yeah
Ive gotta get out of here ive gotta get out
Cause im falling faster
Falling faster
