Freedom, is the best gift of life
So take it

You, are more than you think you are (you are)
I don't want to change myself
Just to make you feel good, no way,
I don't want to change my way
Just to be good for you, no way baby

I'm on a Natural High
Come with me
I'm on a Natural High
I want to take you like this

I am more than you see, that's right
If life is so hard, it's beautiful too
Excuse me baby, I know exactly where you come from
You don't know me baby

I'm on a Natural High
Don't give me what I don't need
I'm on a Natural High
Be free with me, take me

Trust me, take me,
Trust me, trust me
No no no no way, don't change me baby

Feel so good, so relaxed with you
So alive, feel this rhythm too
Feel so close to you, I'm taking you right now
I want to enjoy this moment like it's the last

I'm on a Natural High
Enjoy this moment with me
I'm on a Natural High
Feel this rhythm,
I'm on a Natural High
Let your mind be free with me
(Kiss me baby, you drive me crazy)
I'm on a Natural High

I feel high with you
I'm on a Natural High
Come with me
Feels so good, relaxed,
I'm on a Natural High
Feel this rhythm with me
I'm on a Natural High..
