As I looked up I saw the sky seam(or scene) open up.
And angels behind that which I could vaguely see,
Was my God screaming I had the key.
So follow me.
Oh, my God, come storming like fire.
Oh, my God, will come to devour.
And I saw these angels flowing from the sky,
I saw it all,
And does it taste as well,
If it tastes as well as you thought it would.
Aaaaawww son.

(unclear)

I'm wearing the armor of my mighty God

And I saw these angels flowing from the sky,
I saw it all,
And does it taste as well,
If it tastes as well as you thought it would.

Yeeoow

We gather today
In the name of Jesus Christ
(Play it Sam the piano will cover up the shot)

(Unclear)

And it's cleaver to see your destruction marry you
Here comes Your glory
Here comes Your glory
Here comes Your bride
Here comes Your bride

Did your plans work out like you thought they would? x2

I hear Gabriel's trumpet sounding off
Wasn't that your job?x2

(Unclear)

We'll toss em' into the light
(Unclear)
We'll toss em' into the fire
(unclear)
x2
