"The man they call the Pharoah of Filth  
The man they call the Maestro of M\*sturbation  
The man with the stickiest handshake in Croydon this  
evening...  
Mr. Ivor Biggun"

"Croydon I love you. Good evening Croydon!  
I'm in the mood tonight  
I'm feeling horny tonight  
I'm feeling so horny that  
The crack of dawn had better watch it  
That's how horny I feel  
Alright... here we go..."

Well I feel like w\*nking  
Feel like w\*nking all the time  
I said I feel like w\*nking  
I Feel like w\*nking all the time... I do  
Well I feel like w\*nking  
W\*nking is a hobby of mine

I feel so good  
I feel so fine  
I've got nothing but w\*nking  
On my mind  
Said I feel like w\*nking  
Feel like w\*nking all the time... I do  
Said I feel like w\*nking  
W\*nking is a hobby of mine

Now cook my vegetables baby  
Won't you cook 'em good 'n' cook 'em hot  
Now cook my vegetables baby  
Won't you cook 'em good and cook 'em hot  
'Cause when I stick in my meat  
I overflow the pot  
Tell me, tell me

Now do you feel like w\*nking  
Now do you feel like w\*nking  
Do you feel like w\*nking  
Do you feel like w\*nking

Well I feel like w\*nking  
'Cause w\*nking is a hobby of mine

Now I'm a footballer baby and I'm wearing them  
football  
boots..

Now I'm a footballer baby and I'm wearing them  
football  
boots..

You know I stick me centre forward  
And I dribble before I shoot..

chorus

I feel bad now  
I'll feel better in a minute  
I'll hold my hand right there  
And stick my pl\*nker in it  
'Cause I feel like w\*nking  
Feel like w\*nking all the time  
"I'm a bit of a tosser really"  
You know I feel like w\*nking  
W\*nking is a hobby of mine
