Well you can't have a snog with a snowman  
'Cos his heart is made of snow  
And it's just snow joke  
From a frozen bloke  
And he'll say "no" to an Eskimo  
If you go where the wild blizzards blow, man  
Well he just won't want to play  
For the simple reason  
That if he stops freezin'  
Then he just might melt away.

Well you can't have a snog with a snowman  
It's a plain and simple rule  
'Cos if you cuddle  
He'll turn to a puddle  
And so he just can't lose his cool  
Oh he might be a sweet whisper low man.  
At minus ten degrees  
Though he might be willin'  
He's much too chillin'  
And you'll need some antifreeze.

No No No! If you sit on his knee, could be  
You'll get him miffed.  
Snow Snow Snow! You'll get your assets frozen,  
Just supposin' you get my drift.

So the next time that you make a snowman  
Make a nice snow-lady too  
Uh Oh so nice  
From snow and Ice  
For the snowman to love true.  
And Santa Claus the Ho Ho Ho man  
Will take them on his sleigh  
To hug and squeeze  
Where the penguins freeze  
At the North Pole far away  
At the North Pole far away

"Written in the vane hope of airplay."
