Is this just an illusion  
That i made inside my head to get me by  
20 years in debt  
20 years in the government  
20 years can never get me by

Then I feel you close  
Feel you close like you wanted me to  
Feel you close like you wanted me to  
Believe in you, ooh

Rise to the top of the world  
America  
America don't you cry  
Lift me up  
Give me strength to press on  
Rise to the top of the world  
America  
America don't you cry  
Lift me up  
Give me strength to press on

From farmers in he fields  
To the tallest of the towers that fall and rise  
1-7-7-6  
The names upon the list  
For all the ones that gave until they died  
Don't you hold back  
I can see in you in your mind and your mind will set you  
free

And I feel you close  
Feel you close like you wanted me to  
Feel you close like you wanted me to  
Believe in you, ooh

Rise to the top of the world  
America  
America don't you cry  
Lift me up  
Give me strength to press on  
Rise to the top of the world

America  
America don't you cry  
Lift me up  
Give me strength to press on

(REPEAT CHORUS)
